side of Church Street be closed to parking. The businessmen near Center School said that parking by teachers has gradually returned to Church Street and that the result has reduced parking for the Ark and Barber Shop, and doctor's office considerably. They said that a ban on south side parking could very well hurt their business. Mr. Joseph Pond, owner of Sylvia's Market, said that banning parking at the front of his store would be a serious blow to his business. He explained that residents' cars parked all day on the street would then be forced to take up the small area on the north side of Church Street leaving him no parking. At best, he explained, people would be forced to cross the street with bundles even if a space were available there. Mr. Ouimet said he had no desire to hurt the businessmen but was just relaying the vote of his entire committee. The Board of Selectmen expressed concern for the businessmen's problem, in particular the situation of Sylvia's Market which would be left with little or no parking. They suggested that a possible 1/2 hour limit could be placed on the south side parking in a zone in front of Sylvia's Market. They decided to study the matter further before making a decision.

The Board approved Traffic Committee's recommendation for a no parking zone for school buses to make the turn at the corner of Shaw Street. They will look further at a request for action on Ned's Point Road. They will place a larger "one way" sign at Cannon Street at Water Street and approved a no parking zone

MRS. PALLATRONI IS LIBRARY TRUSTEE

The Board of Selectmen, in joint session with Paul Myers and Mrs. Beatrice Johnson, library trustees, elected Mrs. Constance Pallatroni to the Board of Library Trustees. The candidates for the vacant seat were all extremely able people according to Mr. Myers and he said that Barbara Cornish was particularly well qualified with long experience as librarian in Wareham. The Selectmen, impressed with the qualifications of all of the applicants, voted to appoint Mrs. Pallatroni because of her qualifications and interest in the library and to avoid any possibility of conflict of interest that might be interpreted from a librarian on the Library Board. The Selectmen suggested that perhaps Mrs. Cornish, Margaret B. Smith and Dawn B. Friedman all could be approached to participate as consultants to the trustees.

FISH ON THE WHARF PROBLEM

Mr. Frank Sylvia, together with his attorney Stephen Morad, met with the Board of Selectmen to discuss the situation resulting with a shut down of the fish market due to a broken drain. Mr. Sylvia who holds the original lease with the town requested a full report on the problem and an opinion on his responsibility. Don-

ald Fleming, Town Counsel, was present in the discussion as were the members of the Board of Health. The Board of Health's Bonaventure Xavier said that they were called to the wharf on a May 12 complaint of a bad odor and discovered a problem caused by a broken drain under the building. Personal notice and letter resulted in no action to show good faith and the result was a suspension of the license to operate. They said the action was between the Board of Health and Mr. Albert Lewis III, the sub-leaser.

Executive session was voted so that the Board of Health, the Board of Selectmen and Attorney Fleming could discuss legal business involved in possible litigation.

Following the meeting the town has suspended the lease and taken action to repossess the building.

CEMETERY DAMAGE

Mr. Barney Helfand requested that the Board of Selectmen fill the ruts caused when the Highway Department installed the rock for the plaque at Barlow Cemetery. He informed the Board that vandals have tipped over and smashed many ancient slate headstones at the historic burying ground and he feared record of those buried might be lost unless action is taken soon. The Board of Selectmen will try to contact the Barlow Cemetery Board to see if there are complete records.

AID INCREASE

Selectmen received notice from the League of Cities and Towns of an increase in Chapter 70 funds to Mattapoisett of an additional $18,573. (Chapt. 70 is replacement for Chapter 90 funds).

Save and spend with a "NOW" Account

Fairhaven Savings has "NOW" accounts.

Spend what you need when you need it and earn interest on the rest!

A NOW Account is really a savings account and a checking account rolled into one - with the best advantages of both. Your money earns 5% interest from day of deposit to day of withdrawal and can be withdrawn easily with a check-like bank draft. In addition, you get a statement every month which completely details your deposits, withdrawals, and interest earned. Only a minimum balance of $10 is required. There is only a nominal charge for personalizing and coding your checks.

- NOW is better than paying by cash because it's safer and more convenient.
- NOW is better than a regular checking account because there's no regular monthly maintenance or service charge AND you earn interest on your remaining balance.
- A NOW Account is tailor-made for people w! o want to do as much with their money as they can.

body. Stephen Lombard, Executive Secretary to the Board of Selectmen, now represents the Selectmen in SRPEDD sessions.

SIGN OF THE TIMES

Who reads 'em? Mattapoisett Selectmen are now debating a solution to the problem of the long lines of parked trailers which sometime reach the length of Water Street. This parked trailer, taking up one half of the road opposite the town beach in a no parking zone, underlines the difficulty faced by the town fathers caused by the blithe disregard of parkers to any traffic notices.

SENIOR-LEGION MEMO AIRED

In a meeting called Thursday evening at Mattapoisett Town Hall, the Council on Aging and seniors met with Executive Secretary to the Board of Selectmen Stephen Lombard. Mr. Lombard sought to clear the air and clarify the seniors' responsibility toward the use of the American Legion Hall for meetings and the Nutrition Program. It became immediately clear that basic misunderstanding existed that stemmed from the government program and contract. Mr. Thomas Earle, an attorney and member of the Council on Aging, tried to interpret the clauses of the Nutrition agreement in order to fix the re-

sponsibility for the payment of rent for the use of the hall for the program and became stymied by the clause "in kind contributions", the definition of which no one knew.

Mr. Lombard read a memo of agreement which he had worked out between representatives of the Council on Aging and representatives of the Legion. This written statement was made to avoid a termination of hall use for the lunch program. The Legion, faced with mounting costs for utilities, heat and rebuilding the hall to accommodate the lunch program, had set a May 1st deadline for payment of rent by the Council on Aging. The Council on Aging members were under the impression that the Nutrition Program was the party responsible for the rental and according to Mr. Sylvia, Council member, were not included in the negotiations between Mr. David Alves and the Legion members. Mr. Earle said that the nutrition program pays the Legion according to the square foot dimensions of the hall. He said that if you rent a floor space of a number of square feet then you rent the building of that capacity and therefore the whole matter is between the

Legion and the federal government. Mr. Lombard said that the square footage was a guideline to determine the amount of payment for utilities and not for hall rent. He said that orginally $50. was the amount determined for utilities but later it was increased to $65. to cover minimum cost to the Legion. In addition, the Legion asked $100. for hall rent from the Council on Aging and $20. per month from the Senior Citizens' Club for 10 months of the year when they meet.

Mr. Lombard said that the nutrition program requires the Council on Aging to provide a site for the lunch program. This does not interpret, he said, to locate a site but, rather, to provide and finance a hall. Council members contended that all should have been consulted and should have been signers of the memo of agreement. Mr. Lombard explained that action had been required at great speed since only 3 days remained of the deadline. In that time, he said he had acted with the chief representative of the Council on Aging in bringing together the seniors and the Legion to get something written that would keep the program in progress. When the seniors want to change halls or decide to terminate the program Mr. Lombard said they may do so because the memo of agreement is a written understanding rather than a binding legal document.

Mr. Earle and Mrs. Sophie Sterling of the Council on Aging said that since the Council had not been consulted on the memo of agreement and had never taken a vote or signed on its terms they should be free to enter into negotiation with the Legion for terms on the rental figure.

Mr. Albert Nunes, Legion representative who signed the memo of agreement with

Miss Emily Perry of the Council on Aging, said that the Legion felt that the $100. figure was fair and they would have to have that rent in order to provide the hall for the lunch program.

Mr. David Alves, director of the Nutrition Program, arrived at the session late in the meeting. He explained the extent of the government financing which is not rental of the hall but reimbursement for utilities to the Legion ($65. per month at present). He informed the seniors that the Council on Aging is responsible for the hall rental.

A meeting has been set for Thursday, June 3, open to all seniors to discuss terms and vote on a contract between the Council on Aging and the American Legion for the rental of Legion Hall.

SENIOR MEETING THURSDAY AT 7 P.M.

Mattapoisett Seniors are notified that a meeting has been called for Thursday evening, June 3, at the Town Hall Conference Room by David Alves, director of the Nutritional Program, and Robert Nunes of the Florence Eastman Post American Legion. WALK-A-THON A BIG SUCCESS

The Walk-A-Thon held at Rochester Memorial School on April 24th was a tremendous success, thanks to the cooperation of many people. We'd like to thank all of the children who walked, raising in excess of $1800.00 for enrichment programs for the school. Also we'd like to thank the teachers for their help, especially Mr. D. White and Mrs. Bradshaw who did a lot of walking themselves.

For donations we thank Smith Mills Pharm-

DRIVING IN FOG

Turn on your windshield wipers. Much "dense fog" is merely a fine accumulation of mist on the windshield and you'll probably find that much of the fog is not as dense as you thought it was. If your wipers streak, squirt washer fluid on the windshield. This should wash away any oily accumulation. If streaking continues, replace the rubber refills the next time you're in a service station.

Turn on your lights even in day fog.

Many drivers have asked what speed to drive in a fog. Here's a good rule of thumb: If you can see six car lengths ahead and no more—20 to 30 mph maximum. If you can see two car lengths and no more—10 to 15 mph maximum.

BANK PRESIDENT TO RETIRE

William M. Atwood, chairman of the Board of the National Bank of Wareham, announced that Allison R. Cook, president, will retire on June 1, 1976.

The Board announced that it has named Chester A. Barrett of Marion as the new president of the bank.

The retirement culminates nearly 24 years of distinguished active service with the institution. Mr. Cook will continue as member and vice-chairman of the bank's Board of Directors.

Mr. Cook began his banking career as a clerk in the Buzzards Bay National Bank in 1929, one year after that institution opened. He remained there until 1952. During that period he advanced to the position of assistant cashier.

In December of 1952 he accepted a position at the National Bank of Wareham as cashier and assistant to the late Joseph W. Whitcomb, then vice-president of the bank. Soon after he affiliated with the bank Mr. Cook was elected to the Board of Directors and has been a member since. He was made executive vice-president in 1956 and succeeded to the presidency of the institution upon the retirement of Mr. Maurice B. Makepeace in 1973. Additionally, Mr. Cook was elected director and president of the Buzzards Bay National Bank and the Wareham Cooperative Bank, positions which he held

Mr. Allison R. Cook, seated, is flanked by Mr. Chester A. Barrett, left, and Mr. William M. Atwood, right. Mr. Cook will be retiring as president of the National Bank of Wareham on June 1 and Mr. Barrett has been named to succeed him. Mr. Atwood is Chairman of the Board.

Cadette Scout News

During May Cadette Troop #49 has enjoyed many activities. On May 2nd we attended a Father-Daughter Day at Camp Greenbriar with all of the troops in Mattapoisett. May 15th and 16th we camped at Camp Nunes and we would like to take the opportunity now to thank Mr. Nunes for being so hospitable. On May 18th we had two guests at our meeting from the Heart Fund who taught us C.P.R. Over Memorial Day weekend we had a bike hike down the canal and we marched in Mattapoisett's Memorial Day parade.

Our plans for this month include an All Night Olympics at the YWCA on the 5th and 6th. Mattapoisett is planning a Bicentennial parade on June 26th and we are looking forward to taking part in it. This year we were very lucky to have the cooperation of the parents and of the citizens of Mattapoisett. Some time in the future we plan to build canoes and we hope we still have the same support and cooperation. We are planning a Parents' Night for June 8th. This will be our last meeting and we hope the parents will attend.

Thank You and Good-bye,
Cadette Troop #49

workers were commended for their work effort on this project. When completed, the structure will be the only historical landmark feature on the Cape functioning as a theater.

Discussion focused on open bids for installation of the heating system. Chairman George Hayden said the building will operate on a year-round basis with an opening scheduled for November of O'Casey's Pictures in the Hallway.

A Country Fair to raise needed funds will be held on the new playhouse grounds on Saturday, August 7. Wanted are articles for flea market, country kitchen, book mart, clothes horse, toys and games, vegetable garden, etc. to make the fair a success. Tables for the fair may be reserved by phoning 295-6768. Join with fair committee chairman Marjorie Singleton (993-7408), assisted by Sandy Jackson (295-2707) in getting it together and making the first Gateway Playhouse Country Fair a nostalgically pleasing event.

Upcoming Gateway Player productions will include the outside summer theater festival, an October production of Music Man, drawing the Bicentennial Regional Theater year to a singing, dancing, Americana windup.

Your tax deductible gifts will help open the landmark doors in November. They may be made to the Gateway Players, Inc., Box 181, East Wareham 02538. Thank you.

YMCA - SUMMER TOTS SWIM & GYM

An assortment of Summer "Tiny-Tot" swim classes for children six months to five and one half years old will begin in June at the New Bedford YMCA. A course for three to five year olds will begin on Monday, June 14, at 1:30-2:00 P.M. or 2:00-2:30 P.M.; or 2:30-3:00 P.M. The course will meet twice weekly on Monday and Wednesday for four weeks. It is an instructor-child class with no parent participation. A low teacher-child ratio of one to four and the use of instructional-aid floatation devices make the course both enjoyable and productive. A second four-week series begins immediately after the first on July 12.

A series of parent-tot courses called "Mommy and Me" for 2 1/2 to 5 1/2 year olds will start on Wednesday, June 30. There are three classes: 9:15-9:35 A.M. for children who are afraid of the water or dislike it; 9:35-9:55 A.M. for children who like the water but cannot swim; and 9:55-10:15 A.M. for children who swim with any style. The Marion Art Center is pleased to announce the exhibition of the art work of Tyler Ryder beginning June 11 and continuing through July 4th.

Tyler Ryder has been working in watercolor technique for a period of only about five years.

"I'm experimenting now...to be able to turn abstract brush strokes into realist statements...that's the beauty of watercolor and a very fortunate few are able to project veils of what I would refer to as 'abstract-realism' and be successful at it."

In 1974, Mr. Ryder won first place in watercolor at the Marion Art Center Sidewalk Show. Last September marked his first one-man show at the Eastbourne Gallery in Newport, Rhode Island. Recently, commissioned portraits have occupied most
